USE OF CHURCH EQUIPMENT

A policy to respond to requests for use of church equipment is being implemented. The policy statement is available for all to review at the front desk in the Church Policy Manual. Any organization sponsored by the church such as Bible Classes, music department, missionary society, singles, church board, standing committees (Stewards, Trustees) wishing to use church equipment outside the church facility will need to complete a form for this purpose.

A request to use church equipment must be on a form, a copy of which is available from the receptionist or church office, which will provide the name of the person making the request, date of pick up and return, purpose of use, how the function is connected with the church, and person(s) responsible for transporting and care of the borrowed items.

The Paul Harp family invite you to celebrate his **100th Birthday** July 8, 2017 from 1-4 PM at Glencroft Manor Two at 8611 N. 67th Ave., Glendale, AZ. It is a drop-in affair and your presence is the only present he would like. If you are unable to attend, he would love to receive a card.

Please remember the families of Paula Peterson and Kitty Abbott who recently passed away. May God comfort them at this time of loss.
